About Annual Enrollment

December 1–15 is the time to make enrollment changes to your medical, dental, and vision benefit choices, and to update beneficiary information. You can enroll or make changes in Workday, located on your.yale.edu. The Workday link is located at the top of the screen.

If you take no action, your current elections will remain in effect for 2017, with the exception of your Flexible Spending Account (Health Care and/or Dependent Care). If you wish to participate in Flexible Spending Accounts during 2017, you must re-enroll during annual enrollment. You can do so from December 1 to 15, 2016.

Key Dates to Remember

December 1–15: • Enroll in or change medical, dental, and vision coverage.

• Enroll or re-enroll in a Health Care and/or Dependent Care Flexible Spending Account for 2017.

Note: Re-enrollment is required to participate. The 2017 Health Care FSA limit is \$2,600.

• Review your current Health Savings Account elections. Your elections will continue into 2017 unless you make a change.

Now through December 16: Submit complete staff tuition reimbursement claims (for your 2016 tax year benefit).
